## STATE ROAD FUND IS APPORTIONED

Amount Available for Highway Construction for Two Years Estimated

### THIS COUNTY IS CALED FOR

The State Highway Department has completed the apportionment of state-aid funds among the counties and has determined the amount available for state-aid highway construction during the years 1915 and 1916. Washington county is well cared for.

The important factor in the apportionment of the state-aid money for this two-year period is that, in each county the estimated amount necessary for the maintenance of state-aid highways previously constructed has been deducted.

State Highway Commissioner Cunningham and Chief Engineer Uhler take the view that it is folly for the state to expend money in state-aid highways deteriorate from lack of care, consequently the maintenance division of the department has estimated the amount of money necessary for the maintenance of previously constructed state-aid highways during 1915 and 1916 in each county and this amount is deducted from the sum available for state-aid construction.

In many counties the state-aid appropriation from the legislatures of 1911 and 1913 has not been used and in each instance where this is the case the balance from these two legislative appropriations is added to the apportionment of the appropriation made by the 1915 Legislature. In some of the counties contracts are outstanding which will use up all of the balance from the 1911 and 1913 funds, as well as the 1915 apportionment. Washington county is one of these. These counties, of course, face a deficit in state-aid appropriations and in some instances, will not even be able to have the necessary state-aid maintenance.

The Washington county statement shows that the balance available is \$92,480 the maintenance fund \$45,673 and the net balance \$143,153.

## THREE BANDS WILL BE FEATURED BY CARNIVAL

What the people want when the circus comes to town is plenty of music, circus band music, if you please, the kind that stand right out in both quantity and quality. Johnny J. Jones, whose exposition shows come to Charleroi on Monday for one solid week, under the auspices of the Moose lodge believes in giving the people what they want in the line of band music and that is why he is featuring the three big circus bands with his carnival and exposition shows this season. And moreover all these bands give free concerts at every performance. They are Dr. Vitucci's Royal Italian band of 22 solo artists, Joe Oppice's Rag time band and Austin's Caledonian band, and they render just the variety of music that their names indicate. In

## FIREWORKS PROGRAM FOR FIFTH AT ELDORA

Affairs Being Put in Shape For Big Celebration of Independence Day at Local Amusement Resort—Feature Dance on Saturday

Affairs are being put in shape for three big days at Eldora park beginning Saturday and ending with Monday, which will be observed as a holiday. For Monday a fireworks display has been secured that will be set off by a corps of experts after nine o'clock in the evening.

On Saturday there will be a special dancing program. Ladies will be admitted free on this evening and the dancing will be made a strong featuring event.

On Sunday the Donora Steel Works band, one of the best known musical organizations along the Monongahela valley will give afternoon and evening concerts. Announcement is being made of a patriotic program to be rendered at both times.

Then on Monday will come one of the biggest holiday attractions of the entire season. Following the custom which obtains elsewhere, Independence Day will be celebrated heartily on Monday. The day will be made more or less of a family outing day at the park and provisions will be made for caring for a large crowd. Afternoon and evening dancing will be featured, then in the evening as mentioned the fireworks display will be set off.

Miss Mary Fitzgerald has gone to Asheville, N. C., where she will spend the summer. She was accompanied as far as Pittsburgh by her sister Miss Elizabeth Fitzgerald.

In addition to the concerts there are two other free attractions given in connection with each performance of the carnival. They are Baby Sue, the cleverest trick elephant in the world and a high dive.

## CANDIDATES LINING UP FOR NOMINATIONS

Although the primaries are more than three months away, Republican politics are warming up. Already there are over 50 candidates announced or in a receptive mood. Tomorrow the signing of nomination papers will begin. To be elected next fall are a congressman, judge, treasurer, sheriff, district attorney, three county commissioners, coroner, probate judge, clerk of courts, register of wills and three directors of the poor.

Much interest centers in the congressional fight. Dr. Henry W. Temple, who was the Progressive candidate defeated by W. M. Brown, the Republican candidate last fall, will be a candidate for the Republican nomination. The death of Congressman Brown made an election necessary this fall. Dr. Temple will have probably as his strongest opponent J. Chester Sutherland, county recorder. Mr. Sutherland is a man well fitted for the office and one who will make a strong bid for the nomination, his Republican record not being in any sense besmirched. Others who are being suggested by friends are C. E. Carothers, Charles A. Bentley of this county, John A. Elliott of Beaver Falls, and Frank L. Bingham of Lawrence county. Kerfoot W. Daly of Charleroi was asked by his friends to enter the race but has declined.

Candidates mentioned for the various offices are:

Judge—Norman E. Clark and Samuel Amspoker. Sheriff—Frank B. Wickerham of Monongahela; Charles Miller of Bealville; George S. Hornbake of Coal Centre; John W. Quincy of Chartiers township; Thomas J. ...

## GETS NEW SUIT BUT WILL HAVE TO PAY

Confused Ellsworth Man in Lockup Under Peculiar Circumstances—Has Trouser Pressed But Refuses to Recognize Them.

J. C. Richards of Ellsworth, is in the local lockup, under peculiar circumstances. Tuesday Richards arrived in Charleroi and the story goes, imbued of whiskey, becoming decidedly confused. He went to the tailoring shop of N. Wein on Fifth street, and wanted his suit pressed. Wein loaned him a pair of trousers to wear while his other clothes were being pressed. Later Richards returned while Wein was absent. An employee showed Richards to a place where he might change clothing. In his confused state it is said Richards entered himself in a new suit instead of his own suit and left by a back door. He returned to Ellsworth and came back sobered Wednesday to make amends for the mistake of Tuesday. When he went to the tailor shop of Wein, however, he found the proprietor in a wild state of excitement.

Mrs. Ike Capline of Pittsburgh was visiting at the home of Wein and was standing near the door when Wein bolted toward Richards. Richards was frightened and jerked Mrs. Capline roughly from the door and made his escape, Wein running madly after him along Fallowfield avenue. Chief Albright happened to be in the door of borough building and collar-

derwood of California; and John C. Murphy of Arwell township. Treasurer—O. Evans Mikese, present County Sealer of Weights and Measures; Dr. W. H. Alexander of Canonsburg; John W. Hugus of Ellsworth and Squire Frank B. Hamby of Donora.

District Attorney—Vernon Hazard of Monongahela; Isaac W. Baum, T. H. Fergus, Ralph M. Allison, Alvin Donora and James A. Magill of Washington.

Commissioner—John O. Watson of North Charleroi; Thomas Hill of Monongahela; James A. Emery of Somerset township; T. C. Luellen of Somerset; Milton M. Hemphill of West Middleton; Robert A. Johnson of Bentleyville; James R. Hawkins of West Bethlehem and Henry Y. Lash of West Pike Run.

Coroner—James T. Heffran, the present incumbent; W. A. Britten of Washington; George C. McPeak of Canonsburg; Wm. Greenlee of Bentleyville; R. Lafayette Culbertson of North Charleroi and Rev. H. G. Hooe, of Washington.

Dr. A. V. Lewis present incumbent of the Probationary office and William S. Lockhart, Clerk of Courts, are thus far without opposition and both are claiming the customary second term.

Boyd C. Parrshall, register, is again a candidate and will be opposed by C. S. Ritchie of Washington; T. M. Reese, of Canonsburg and C. S. Buchanan of Aveva.

Dr. R. W. Wolfe and H. D. Browneller, present members of the board, W. W. Hawkins of Fredericktown; George A. Adams of Washington; and A. B. Conger of Dunn Station are candidates for poor directors.

## PETITIONS ARE OUT FOR FIVE CENT FARE

Stand Made For Nickel Street Car Charge Between Monongahela and Donora—Many Signers in Donora Protesting 20 Cent Fare.

Wednesday a petition was placed in circulation in Monongahela asking for the reduction of the present street car fare of ten cents between Monongahela and Donora, eliminating the long and tedious wait previously necessitated at Black Diamond.

Now, that they do not have to transfer cars the travelers on this line declare that a ten-cent fare is exorbitant and that they should pay only a nickel. Previous to this time there has been a petition in circulation in Donora and it is said that fully 2,000 names appear on it.

## THE DANCING OATMANS

ed Richards as he was endeavoring to speed past. Now, the tailor says, Richards may go free whenever he pays for the new suit and the pressing of the old one.

## CLAIM IN SUIT BRIDGE DAMAGED HOTEL PROPERTY

Brownsville Receivers for Barr House Assert in Statement Against County That Two Entrances Were Made Inaccessible.

Twenty-five thousand dollars damage is asked for in the suit of James M. West, C. E. Brodwell and W. C. Heasley, trustees in bankruptcy of John E. Richard, a bankrupt of Brownsville, against Fayette county in their statement made this week. The suit was filed September 4, 1914. The action is the result of the construction of the Brownsville bridge across the Monongahela river by Washington and Fayette counties.

The plaintiffs are the owners of the Barr house property, Bridge and Water streets, Brownsville. The hotel, it is declared, is accessible only from Bridge and Water streets. It is alleged that the Brownsville bridge "is located and constructed that the said bridge and approach, with their supports and abutments, obstruct and interfere considerably with the means and ways of ingress and egress to the plaintiffs' property." They also claim that dirt, dirt and filth blows from the bridge on to the property of them and that water runs into the cellar on account of the construction of the bridge.

## NO EPIDEMIC STATE BROWNSVILLE PEOPLE

Typhoid Fever Scare Causes State Officials to be Called to Place—Samples Taken of Well Water in The District.

Despite the fact that 24 cases of typhoid fever are known to exist in the immediate vicinity of West Brownsville the town is in no danger of a typhoid fever epidemic. This was the conclusion in effect forwarded to the State Health Department at Harrisburg by D. M. Irwin of the Pittsburgh bureau. A rumor that the dangerous disease has invaded the Brownsvilles from the Diamond works is strongly denied by the health officers of Brownsville and South Brownsville.

It has been stated that the disease originated from the impure drinking water in several wells in close proximity to the Diamond works. Samples of the water were taken from the wells and shipped to the health authorities in Philadelphia. Reports of the analysis have not yet been received.

Inspector Irwin stated that he found residents of the Diamond works securing water from wells, springs and hydrants of the company and that in not a single instance did they boil the water.

## WREATH SKIPS OHIO TOWN LEAVING HIS BILLS UNPAID

Leaving behind \$1,000 in debts, and the salaries of his players, Paul Wreath, manager and owner of the Newark club of the Buckeye league in Ohio, has skipped, according to news received from there. Warning was extended the Ohio people in advance, but apparently little attention was paid. Wreath is said to be the same one who made his getaway from Charleroi in a similar way a year ago.

Mrs. L. S. Jack of Washington, avenue spent Thursday in Pittsburgh.
